EN 1074-1 § 5.3.1

9. Marcatura 7 Marking

EN 1074-1 § 7.0

**OSSERVAZIONI
REMARKS**

Questo documento riflette quanto è stato riscontrato alla data e nel luogo di esame della documentazione e delle attrezzature messe a disposizione dall'Azienda, limitatamente alle verifiche effettuate. Questo documento non solleva l'Azienda dalle sue responsabilità contrattuali con riferimento alla Qualità del prodotto nè preclude il diritto di reclami verso l'Azienda per risarcimenti di qualsiasi difetto evidente od occulto non rilevato nelle attività oggetto del presente documento

This document reflects what was observed at the time and place of the examination of the equipment and documentation given by the Company. This document is limited to the checks carried out and does not relieve the Company from its contractual responsibilities with regard to the quality of the product or preclude the right of claims against the Company for damages of any apparent or hidden defects not detected in the activities covered by this document
